Good morning.

I am opposed to having Alianza Mufflers and Brakes move into the space at 1032 E Ogden Avenue, Suite 112. I live in the townhomes that backup to the property. Before the Asian Senior Center moved into the other suites there was another muffler place that was revving engines all hours into the night. When Meineke mufflers was there you could hear them working during the day, wasn't as bad as the other place but still hard to have people over on your patio during a Saturday afternoon. Also currently there is a Belle tire and auto service going to be at Ogden and Burlington. As part of the Copperfield townhomes I prefer to not want to be surrounded by multiple auto stores.

Will Alianza have set hours and will be required to only work during those hours?

Adding more auto stores right as you come into Naperville from the east on Ogden Ave, is that the image the city wants to portray?
