May 24, 2018

Attn: Mary Lou Wehri

The Naperville Park District supports the addition of 32 banners, mounted on the 16 light fixtures within Central Park. We understand that these banners will be promoting the upcoming installation of Century Walk's 50<sup>th</sup> art piece, the 'Laughing Lincoln' statue, the Illinois Bicentennial, and Naperville Municipal Band.

Century Walk will purchase the brackets, have them installed and will also reimburse the Park District for the installation and take down of the 32 banners. Century Walk will maintain ownership of the brackets. It is yet to be determined if the brackets will be removed by the Park District at the end of this event (December 2018).

Sincerely,

Ray McGury  
Executive Director  
Naperville Park District
