INNOVATION GATEWAY

Welcome to Naper Settlement! Walk into this 3,200 square foot center and enjoy an interactive digital experience that will connect you to Naperville's 20th and 21st century residents—from humanitarians to visionaries. Then upload your own story and become a part of history.

AGRICULTURAL CENTER

Enter this 5,000 square foot exhibition space showcasing the contributions of Naperville's farming community. Visit the learning laboratory and talk with today's botanists and engineers working to generate new ways of feeding, clothing and energizing the world.
