Dear Ms. Sereno:

We have reviewed the documentation provided for the referenced project. This property is located within the Naperville Historic District (Additional Documentation), which was listed on the National Register of Historic Places on October 31, 2012.

In our opinion the project meets the Secretary of the Interior's "Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings" and we concur in a finding of no adverse effect pursuant to 36 CFR Part 800 provided that the following conditions are met:

1. Place stealth panels in front of the beta and gamma sectors. Send revised drawings for review and comment.

If you have any questions, please call 217/782-4836.

Sincerely,

Robert F. Appleman
Deputy State Historic
Preservation Officer
