My name is Carolyn Munson, homeowner of [REDACTED], which is directly across the alley from 252 E. 4th. My primary concern is density. They are requesting too many variances. Does not conform to the neighborhood and adds nothing but additional traffic. I would object to tenants having access to the alley, as they would have both access and egress on Loomis. Allowing for two guest parking spaces is unrealistic at best. Snow removal would be a big problem. It would have to be trucked off the property. Thanks for considering my objections.

Carolyn Munson
