## New Sidewalk Request

[REDACTED]:

The City received a petition from the property owners on your block for your street to be added to the 2026-2027 Annual New Sidewalk Program. A supermajority (two-thirds) of property owners indicated support for the installation of new sidewalk; therefore this gap segment is under consideration for being added to the program.

The Transportation Advisory Board (TAB) will be reviewing the 2026-2027 Annual New Sidewalk Program Thursday, September 4, 2025 at 7:00pm in the City Council Chambers at 400 S. Eagle Street. The proposed program will be posted by August 29, 2025 at <https://naperville.legistar.com/Calendar.aspx>. You are invited to attend this meeting to provide additional property owner input on the sidewalk gap under consideration. If you cannot attend the meeting, you can submit a public comment at <https://www.naperville.il.us/bc-comment>.

Locations with the most property owner support will receive priority in the construction timeline. Final location selection is dependent on TAB and City Council approval. Final approved locations will be installed in the summer/fall of either 2026 or 2027.

Sincerely,

Lisa Weesner, P.E.
