**Re:** Cla-Val Control Valves for City of Naperville – For Year 2024

Dear Joe,

This letter is to confirm that Dorner Company, now a sales agent/rep. for Cla-Val, is the exclusive supplier for all existing valves of ours within the City of Naperville. Our proposal is for Dorner to inspect, quote and either work-on or convert valves of ours at the City's request, with this work being completed by Dorner Co. with all new Cla-Val controls, parts and kits.

Any further questions can be directed to me if necessary.

Regards,  
Andy Caselli  
District Sales Mgr.  
Cla-Val Company
