Dear Chairwoman Martinez,

The Forest Preserve District of DuPage County recently received a Notice of Public Hearing regarding a petition to allow a reduced setback deviation as it relates to signage at the aforementioned property. We appreciate receiving timely notification of such requests that may have an impact on District property and thank you for the opportunity to comment.

District Staff have reviewed the information provided by the City and does not have any comments. If you have any questions, please do not hesitate to call me at (630) 933-7235.

Sincerely,

Kevin Stough
