***WRITTEN COMMENT ONLY***

1. CAROLE SMITH (Naperville) - PACE ON DEMAND - I gratefully use this service. During a pick up/ drop off, I spent what should have been a 5 min ride was delayed and our driver was required to pick up and deliver another person while passing my drop off area, so the ride became over 45 minutes for me and I juggled my appointments accordingly. My concern is Naperville only has 2 buses to cover the entire area, while Aurora has 4 buses. It's pretty impossible for the drivers to accomodate timing for their passengers, some of whom require the lift for their wheelchairs and other assistance equipment. This continues from my original comment...I submitted before I completed it. I am asking the council to consider increasing Naperville's support for adding at least 2 more buses. Thank you kindly. Blessings, carole smith
