Field Report for March, 2024:

- The 3 large cottonwoods were removed near the covered bridge behind Burger King
- The spring banners have been installed and will be up until the end of May
- A prescribed burn was completed in the Sindt Woods. Also, piles of brush were burned, and logs were removed. Many spring ephemerals are blooming!
- The sled hill fence has been removed from Rotary Hill. The turf will be aerated, and seed and blanket will be added to any bare spots
- Trees, shrubs, and perennials have been ordered and will be planted beginning in early April
- We have seen an uptick in graffiti during the second half of March. Staff was able to clean it up and Park Police is aware of the instances.

Carillon Update – provided by Brett Sprague (NPD)

Other points of interest:

- Beach cleaning began the week of March 11
- The paddleboats will be placed back in the quarry by the end of April for rentals beginning May 11
