Good morning,

I'd like to share my approval for the Burke Annexation/Subdivision.

As an immediate neighbor of the Burke family for more than 20 years, we have watched their children grow into adults that love this land as much as their parents do.

I say this as a child born and raised in Naperville. My husband and I were given the opportunity to purchase a portion of my parents land (the same land where I've lived since I was six months old) to build *our* family home. Thirteen years ago my brother purchased the home next to my parents- so now, we are all connected.

To have family living side-by-side is something that is both unique and special.

Our land is a gift. The space that we have here in this area of Naperville is amazing.

We are excited and happy to watch another family have the opportunity to enhance their family footprint.

Once again, we are in full support of the Burke Annexation/Subdivision.

Best,
S
