**RE: *Proposed Forest Meadows apartments  
on 75th Street in Naperville***

Dear Chairman and Members of the Commission:

On behalf of the leadership and members of the Islamic Center of Naperville (ICN), I am writing this letter in support of the Forest Meadows proposal for 38 apartments adjoining our facility at 25W530 75th Street, Naperville.

As neighbors of the future Forest Meadows, we have a strong interest and desire to see this property used in an attractive way that is beneficial to all of those in our neighborhood. We have met with the family that owns and is proposing to develop the site. We have seen the planned building and believe it will be a beautiful addition to the area. We have seen how the new building will fit on the land and how some of the current trees will remain and serve as a natural buffer around the site.

Forest Meadows will replace an unused, dilapidated older building with a needed residential use of a first-class style. Further, ICN also supports the emergency driveway connection, with a manual, lockable gate, and a manual pedestrian, lockable gate, between our property and the Forest Meadows property and parking lot.

Overall, the Islamic Center of Naperville is pleased to have the future Forest Meadows as a neighbor and requests that the Commission recommend approval of this fine development.

Sincerely,

Wahab Khan  
President, Islamic Center of Naperville
