## **Proposed New Sidewalk Construction**

NAME:

The City has identified the East side of Washington St between Gartner Rd and Pioneer Park as a candidate for new sidewalk installation through the annual New Sidewalk Program. Candidates were selected based on numerous factors including roadway classification, pedestrian connectivity, and traffic volume and speed. This program is funded by the City and there is no cost to the property owner.

The purpose of this letter is to notify you that the Transportation Advisory Board (TAB) will be reviewing the proposed new sidewalk segments on Thursday, October 3, 2019 at 7:00pm in the City Council Chambers at 400 S. Eagle Street. You are invited to attend this meeting to provide property owner input on the sidewalk gap under consideration. If you cannot attend the meeting, feedback can be emailed to the contact below.

Final location selection is dependent on TAB and City Council approval. Final approved locations will be installed in the summer/fall of either 2020, 2021, or 2022.
