**PETITION FOR REZONING
AND
AMENDMENT TO THE NORTH CENTRAL COLLEGE
MASTER LAND USE PLAN**

The undersigned Petitioner, North Central College, being the contract purchaser of the real property legally described in **Exhibit A**, said exhibit being attached hereto and made a part hereof (hereinafter referred to as the “Subject Property”), respectfully petitions the City of Naperville to (a) rezone the Subject Property from the R2 (Single-Family and Low Density Multiple-Family Residence District) zoning classification to the CU (College/University District) zoning classification pursuant to Section 6-7G of the Zoning Regulations of the Naperville Municipal Code, and (b) amend the North Central College Master Land Use Plan to incorporate the Subject Property into the Master Plan area pursuant to Section 1-11-1:4.1 of the Naperville Municipal Code.

In support of this Petition, the Petitioner represents to the City of Naperville as follows:

1. That the Petitioner, whose offices are located at 30 North Brainard Street, Naperville, Illinois 60540, is the contract purchaser of the Subject Property.
2. That Little Friends, Inc., whose offices are located at 140 North Wright Street, Naperville, Illinois 60540, is the owner of the Subject Property.
3. That the Subject Property is within the corporate boundaries of the City of Naperville.

4. That the Subject Property is located in the block bounded by Wright Street, School Street, Columbia Street and Franklin Avenue, with addresses of 140/148/126 North Wright Street and 619 Franklin Avenue.
5. That the Subject Property consists of approximately 3.79 acres.
6. That the Subject Property is zoned R2 (Single-Family and Low Density Multiple-Family Residence District).
7. That the Subject Property is presently improved with four buildings, parking lots and a park.
8. That the Subject Property is used by Little Friends, Inc. to provide programming, services, and educational facilities serving adults and children with autism and other developmental disabilities.
9. That the existing land uses surrounding the Subject Property consist of single-family detached residences. The Petitioner's campus is located two blocks west of the Subject Property.
10. That the Petitioner desires to reclassify and rezone the Subject Property to CU (College/University District) as set forth in Section 6-7G of the Zoning Regulations of the Naperville Municipal Code. The Subject Property will be used for various College facilities and functions. The Petitioner desires to reclassify and rezone the Subject Property to CU (College/University District) so that (a) the zoning of the Subject Property is consistent with the zoning classification of the Petitioner's campus and (b) the Subject Property can be used for college/university purposes as set forth in the CU (College/University District) zoning regulations. A description of the Petitioner's proposal is attached hereto as **Exhibit B** and made a part hereof.

11. That the requested rezoning of the Subject Property meets the requirements for zoning, under Section 6-3-7 of the Zoning Regulations, and is appropriate based on the following factors:

- a. *The amendment promotes the public health, safety, comfort, convenience and general welfare and complies with the policies and Official Land Use Plan and other official plans of the City.*

The North Central College 2010 Master Land Use Plan, which is an element of the City's Official Comprehensive Master Plan, contemplated the future incorporation of the Subject Property into the Petitioner's campus.

The CU (College/University District), zoning classification, with the special requirements for North Central College, was designed as the appropriate zoning classification for properties owned and used by North Central College. The Subject Property will be used for yet to be determined College facilities and functions. Therefore, the proposed zoning classification of CU (College/University District) is appropriate for the Subject Property thereby promoting the public health, safety, comfort, convenience and general welfare of the City.

The use and requested rezoning classification of the Subject Property is consistent with the North Central College 2010 Master Land Use Plan.

- b. *The trend of development in the area of the Subject Property is consistent with the requested amendment.*

The surrounding neighborhood is residential. However, the Subject Property has been used for institutional and educational purposes for approximately seventy-five years. Therefore, the proposed zoning classification of the Subject Property is consistent with the long-established use of the Subject Property.

- c. *The requested zoning classification permits uses which are more suitable than the uses permitted under the existing zoning classification.*

Because the Subject Property will be used for College facilities and functions, the proposed zoning classification of CU (College/University District) permits uses which are more suitable than the uses permitted under the existing R2 (Single-Family and Low Density Multiple-Family Residence District) zoning classification.

- d. *The Subject Property has not been utilized under the existing zoning classification for a substantial period of time.*

The R2 (Single-Family and Low Density Multiple-Family Residence District) zoning district is a residential classification permitting single-family and two-family dwellings. It also allows primary and secondary schools. Prior to a revision approved in 1989, the R2 zoning district allowed colleges and universities. For approximately seventy-five years, the Subject Property has been utilized for educational purposes rather than for residential uses.

- e. *The amendment, if granted, will not alter the essential character of the neighborhood and will not be a substantial detriment to adjacent property.*

The Petitioner's Master Land Use Plan was originally authored, and has long existed, to foster the College's integration with the neighborhood, and states, "North Central College recognizes that any properties acquired and used by the College will be utilized in accordance with the College and University Zoning District, and that major modifications, visible from the street, to properties within the Naperville Historic District will be addressed consistent with applicable regulations." The Subject Property has been used for educational and institutional purposes for approximately seventy-five years. The rezoning of the Subject Property to CU (College/University District) will continue the educational and institutional use of the Subject Property. Further, the

use of the Subject Property for College purposes is consistent with and supplements the existing College campus. Over the past several years, the Petitioner has demonstrated its commitment to this neighborhood through (i) neighborhood communication and meetings, (ii) thoughtful renovation of existing buildings, (iii) appropriately designed new facilities and (iv) beautification of its campus. Therefore, the proposed zoning classification will not alter the essential character of the neighborhood nor be a substantial detriment to adjacent properties.

12. That the Petitioner desires to amend the North Central College 2010 Master Land Use Plan so as to incorporate the Subject Property into the Master Plan area as set forth in Section 1-11-1:4.1 of the Naperville Municipal Code. Said Amendment would make the use of the Subject Property consistent with the Petitioner's Master Land Use Plan.

WHEREFORE, by reason of the foregoing, the Petitioner respectfully requests that the City Council and the Planning and Zoning Commission take the necessary steps to grant the following:

1. That the Subject Property be reclassified and rezoned from R2 (Single-Family and Low Density Multiple-Family Residence District) to CU (College/University District) pursuant to Section 6-7G of the Zoning Regulations of the Naperville Municipal Code.
2. That the North Central College 2010 Master Land Use Plan be amended so as to incorporate the Subject Property into the Master Plan area as set forth in Section 1-11-1:4.1 of the Naperville Municipal Code.
3. That such other action be taken as is appropriate in the premises.

RESPECTFULLY SUBMITTED this 13th day of February, 2019.

Dommermuth, Cobine, West, Gensler, Philipchuck,
Corrigan and Bernhard, Ltd.
