**Re: ICN Petition**

Dear Ms. Lord:

Len Monson and I are continuing to discuss a potential resolution of the above matter in good faith. We have made progress and expect to make more progress in the weeks ahead. In that regard we jointly request that the public hearing of our matter be continued from June 16 until July 7, 2021.

Assuming this request is granted, we have also agreed that all parties would reserve their right to make their presentations and conduct the necessary examination/cross-examinations of witnesses, if necessary.

We will use the next several weeks to continue our discussions, with the goal of arriving at an amicable resolution among our clients.

Please let us know if you have any questions.

Thank you.

Very truly yours,

**SHAPIRO & ASSOCIATES LAW**
