REQUIRED RESPONSE TO STANDARDS EXHIBITS

Provide responses to corresponding exhibits on separate sheet (see Page 5 *Proposed Development* for required exhibit submittals). Except as otherwise described, responses to the applicable exhibits are required per the Naperville Municipal Code.

The Naperville Municipal Code requires a petitioner who is seeking approval of various entitlements to respond to a set of standards that demonstrate both the need and appropriateness of the request. Your response to the standards is forwarded to the Planning and Zoning Commission and City Council for consideration as required, along with a report prepared by staff, when reviewing your request. It is important to provide thorough responses to each of the standards listed below.

To assist in better understanding the intent of each standard, see Exhibit 7 for helpful information to consider when preparing your responses.

XEXHIBIT 1: Section 6-3-8:2: Standards for Granting or Amending a Conditional Use

- 1. The establishment, maintenance or operation of the conditional use will not be detrimental to, or endanger the public health, safety and general welfare;
- 2. The conditional use will not be injurious to the use and enjoyment of other property in the immediate area for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood;
- 3. The establishment of the conditional use will not impede the normal and orderly development and improvement of the adjacent property for uses permitted in the district; and
- 4. The establishment of the conditional use is not in conflict with the adopted comprehensive master plan.

EXHIBIT 2: Section 6-4-7:1: Standards for Granting or Amending a Planned Unit Development

- 1. The design of the planned unit development presents an innovative and creative approach to the development of land and living environments.
- 2. The planned unit development meets the requirements and standards of the planned unit development regulations.
- 3. The physical design of the planned unit development efficiently utilizes the land and adequately provides for transportation and public facilities while preserving the natural features of the site.
- 4. Open space, outdoor common area, and recreational facilities are provided.
- 5. The modifications in design standards from the subdivision control regulations and the waivers in bulk regulations from the zoning regulations fulfill the intent of those regulations.
- 6. The planned unit development is compatible with the adjacent properties and nearby land uses.
- 7. The planned unit development fulfills the objectives of the comprehensive plan and planning policies of the city.
