

## **Grants**

### **1) Grant 250th Celebration - \$83,150**

- To support a collaborative art project as part of America250 that commemorates American independence, honors the nation's heritage, and fosters patriotic engagement through the arts.

### **2) Grant 250th Celebration - \$98,999**

- Grant to support a digital, humanities-based interactive experience that tells the stories of Naperville's nationally recognized military veterans.

### **3) DuPage Community Foundation - Next Gen Naper Expanding Digital Access NS Requested Amount - \$19,250**

- Grant to expand Wi-Fi and network infrastructure to a larger segment of the 13-acre Naper Settlement campus and improve connectivity in outdoor spaces and underserved buildings.

### **4) STEM Grant - \$19,800**

- Designed to give early learners and their caregivers access to high-quality STEM programming. NS is seeking to expand this initiative by offering more Family STEM Nights throughout the year and by creating a museum-based Family STEM Learning Space designed specifically for young children.

### **5) Capacity Building Grant - \$239,000**

- Capacity building and training for staff as NS begins its next phase for transformation.
