Erin Venard, Planning Services Team, gave an overview of the request.

Kevin M. Carrara, attorney with Rathje and Woodward, spoke on behalf of the petitioner.

The PZC inquired about the return of the case before the Commission. Carrara responded that the case is appearing before PZC again in response to concerns from the neighborhood.

Public Testimony:

Marykate Bayer lives on Aero Drive and is opposed to any annexation and rezoning. Ms. Bayer noted an inaccuracy in the minutes from the December 6 PZC meeting and stated that the Southwest Community Area Plan does not depict this property as a future commercial use.

Suzette Selig is a resident of Aero Drive and is the secretary of the Aero Estates Board. She is speaking on behalf of her neighbor Laura Collinski. Ms. Collinski finds the proposed annexation will ruin the value of their homes.

Commissioner Williams arrived at 7:19pm.

Erika Selig lives on Aero Drive and is speaking on behalf of 35 residents on Aero Drive. All 35 residents oppose the proposed rezoning. Ms. Selig stated that the City is not following its Code in terms of lot size and zoning.

Christina Greenstreet stated that Aero Estates is a unique, residential neighborhood. She raised concerns with traffic, speeding, and safety on Aero Drive.

Bret Subsits spoke about traffic on Route 59, problems with deliveries at the Best Buy property, and the amount of vacant retail property on Route 59.

Fred Foss lives on Aero Drive and is directly across the street from the church property. Mr. Foss spoke against the petition at the December 6 PZC meeting. Mr. Foss is in favor of the current proposal.

Roberta Priz lives kitty corner from the church parking lot. Ms. Priz noted that 90% of the churches in Naperville are zoned R1A. She suggested placing a utility easement on Route 59 to allow the Best Buy property to gain contiguity.

Dave Reed lives on Aero Drive and is kitty corner to the southernmost corner of the Best Buy property. Mr. Reed is concerned about the location of the transition from business to residential zoning. The current proposals will set a precedent, placing the transition of commercial to residential at his property line. In the future, Mr. Reed wishes to be able to sell his property at its highest and best use.

PZC inquired about the current proposal versus the December 6 proposal. Lord responded that the tonight's vote will supersede the December 6 vote. PZC also inquired about traffic and the potential for residential zoning for the subject property. Laff responded that the traffic patterns are existing because no redevelopment is proposed. Laff stated that staff does not support residential zoning along Route 59 in this area.

The Planning and Zoning Commission took a 10 minute recess.

The petitioner responded to the public testimony.

PZC closed the public hearing.

The Planning and Zoning Commission supported PZC 17-1-094, finding the split zoning of the property to be a reasonable compromise. PZC also recommended that a condition be added to the annexation agreement to allow for site plan review of any future development on the subject property by the PZC and City Council.
