Universal Utility Supply Company is the only Authorized S&C Electric Distributor in the greater Chicagoland area. We have a partnership relationship with S&C to be their only sales channel into the Electric Municipal market. With this relationship, we receive their best pricing and service to offer to City of Naperville.

If you have any questions, please feel free to contact me or Austin Morem the local S&C Electric sales rep that handles your account.

Sincerely,

Pete Johnson
