		Northwest is not liable for damage to underground items not located by J.U.L.I.E. or Digger companies (including sprinkler lines, drain lines, electric fence and private utility lines). Customer Acknowledges that the fence will follow the natural contours of the property unless otherwise specified. Every Northwest Fence is installed by a professional team. You the Homeowners are not required to be present during the installation, however, in your absence any changes you may want to height and any movement of posts will be additional costs. State law requires all contractors to dig no closer than 18" from all JULIE markers. Any digging closer shall require a signature from the homeowner assuming full liability for any damages that may occur.
