PETITION FOR DEVELOPMENT APPROVAL

November 8, 2023

TRANSPORTATION, ENGINEERING, & DEVELOPMENT (TED) BUSINESS GROUP

Use this packet to request development approval from the City when consideration by the Naperville Planning and Zoning Commission and/or approval from the Naperville City Council is required. This Petition for Development Approval is available on the City's website at <http://www.naperville.il.us/developmentpetition.aspx>. Questions may be directed to the City of Naperville TED Business Group at DRT@naperville.il.us.

E-Plan Review

"E-plan review" is short-hand for electronic plan review. It is the process of reviewing development submittals in a digital format instead of on paper. All development projects submitted to the City require e-plan review. All plans (e.g., site plan, engineering plans, landscape plans, etc.) and application materials (e.g. parking and traffic studies, application forms, etc.) associated with these projects must be submitted to the City of Naperville electronically per the following table:

Required E-Plan Review Submittals	Format*	Page
Development Petition Form	PDF File	4 - 8
Disclosure of Beneficiaries	PDF File	9 -12
Fees***	Check	13
Response to Standards Exhibits	PDF File	14 - 17
Legal Description**	MS Word File	N/A
Plan Submittals***	PDF File	N/A

*Submittals must comply with the formatting and filename specifications detailed in the [Naperville PDF Submittal Requirements](#) and [Naperville Required Submittal List](#).

**It is the petitioner's sole responsibility to verify that the correct legal description including address and PIN(s) is being submitted. Failure to do so may result in additional resubmittals, additional fees, meeting rescheduling, project delays, etc.

***Refer to the Concept Meeting Summary (if applicable) for the required plan submittals and fees or contact your Project Manager if you have questions. If you do not have a Project Manager, please email DRT@naperville.il.us or call 630-420-6100.

DEVELOPMENT REVIEW PROCESS

1. Prior to submittal of a Petition for Development Approval, please email a brief description of your project to the TED Business Group at DRT@naperville.il.us to determine whether or not a concept meeting is required. A Project Manager will be assigned to you at this time.
2. Following your concept meeting (if required), prepare a complete Petition for Development Approval including all items noted in your Concept Meeting Summary and in the Required E-plan Review Submittals table above. All submittal materials shall comply with the formatting and filename specifications detailed in the [Naperville PDF Submittal Requirements](#) and [Naperville Required Submittal List](#).
3. Contact your Project Manager to obtain access to Naperville's e-review submittal portal. See the [Naperville E-Review Submittal Instructions](#) for additional details.
4. Electronically submit the complete Petition for Development Approval including all items noted in the Required E-plan Review Submittals table above. *Submittals will not be accepted and/or processed until all of the submittal requirements are met.*

5. Once the complete Petition for Development Approval is accepted, it will be forwarded to City departments (e.g. planning, utilities, engineering, etc.) for review and comment.
6. Upon receipt of the submittal, the Project Manager will contact you with the fee requirement for the project. All required fees must be paid in full by check payable to the City of Naperville prior to release of the City's next set of review comments. You may drop off the check to the Development Services Counter on the 1st floor of the Municipal Center, 400 S Eagle Street, or mail it to your Project Manager's attention at City of Naperville, 400 S Eagle Street, Naperville IL 60540.
7. Once all required fees are paid, the Project Manager will transmit the City's review comments to the Primary Contact identified on the Development Petition Form. Comments may necessitate revisions to plans prior to scheduling the project for a Planning and Zoning Commission (PZC) and/or City Council meeting.
8. The Project Manager will work with the Primary Contact to schedule a public hearing/meeting before the Planning and Zoning Commission (if required). *The Primary Contact will be notified of the hearing/meeting date approximately three weeks in advance.* As required, City staff will complete newspaper publication requirements; the Petitioner/Owner shall complete the written notice and posting of a sign on the property as defined below:

Case Type	Publication ¹	Sign	Written Notice
<i>Public Hearing Cases:</i> variances, rezoning, conditional use, major changes, PUD deviation, and variances to Section 7-4-4 (Design Standards)	Yes	Yes	Yes
<i>Minor Change:</i> minor changes to conditional uses or PUD	No	Yes	Yes
<i>Administrative Adjustments:</i> administrative adjustments to conditional use or PUD	No	No	No

¹The City will publish notice of the public hearing in a local newspaper of general circulation at least 15 days, but not more than 30 days, prior to the public hearing date.

As noted above, notice requirements vary by case type; therefore, please contact the Project Manager to review the requirements. The public notice shall be issued at least 15 days, but not more than 30 days, prior to the scheduled public hearing/meeting date (unless otherwise directed by staff).

9. Following a public hearing and recommendation by the Planning and Zoning Commission, the case will be scheduled for City Council consideration. Cases will not be scheduled for City Council until staff has determined that all plans are in technical compliance. The Primary Contact will be notified of the City Council date approximately four weeks in advance of the meeting. A summary of the meeting format for the Planning and Zoning Commission and City Council is provided as Attachment 1.

EFFECTIVE PERIOD OF PETITION

Please note that Petitions for Development Approval are only valid for a period of two years from the date of Petition submission and that all cases will be closed by the City without further notice to the Petitioner after the two-year period has expired.
