Double Handle Stockpile Loads

Copenhaver requests the following payment methods for the double handling of the stockpile loads on the Julian Street Improvements project:

Truck Time

Dump is 15 minutes from staging yard. Trucks must travel 15 minutes to the dump, spend 15 minutes unloading at the dump, and then 15 minutes on the return trip to the site.

Payment of \$75 per truck for trucking time

Operator

Operator aerating loads of soil and then loading soil on truck.

We'd like to be paid for this under force account.

Labor and equipment plus applicable mark ups per IDOT Standard Specification article 109.04

Copenhaver will start this process as soon as the above payment method is approved.

Sincerely,

Chuck Polito
General Manager
