7	East of Eagle	HIGH		Covered Bridge (Moser Bridge at Webster St) Roof Replacement	The roof was inspected last year and will need to be replaced within the next year. Can this be included in the budget for 2026? A suggestion to sell the old shingles for a fundraiser was made by Shields
14	East of Eagle	HIGH		Lower area next to Moser Bridge and ramp	Picco discussed the future view of the area to and from 430 S. Washington Street and the importance of the two parks flowing together.
19	East of Eagle	HIGH		Martin Avenue Plaza	Continued discussion needed on Endeavor Health/Edward Hospital recognition possibilities.
21	West of Eagle	HIGH		"Shoreline" and lower walkway going west along the river	Picco addressed the area near Eagle Street that is a cross between a shoreline and landscape bed. One concern is that the lower walk is pitched backwards, fills with silt and is also uneven.
23	West of Eagle	HIGH		Banner Poles	Picco provided a sample of a recommended banner style material. There are three banner poles in this area. Do we reduce to one banner pole?
29	West of Eagle	HIGH		Mr. and Mrs. Naperville statue	The sign is currently on the back (south) side. Can it be moved? More information is needed from Century Walk.
40	West of Eagle	HIGH		2031 Master Plan: Grand Pavilion Area Improvements	The group discussed possible improvements, current drainage concerns and improvements to the parking lot.
41	West of Eagle	HIGH		Tall light poles in basin near Warming Shelter	Can the removal be included in Grand Pavilion project improvements?
42	West of Eagle	HIGH		Shoreline plantings and erosion east of metal bridge	Picco discussed the buckthorn removal and the donation from the Conservation Foundation for native plugs. Park District staff continue to analyze progress.
43	West of Eagle	HIGH		Retaining wall and lower walkway west of covered bridge	Picco discussed the original walls to the Riverwalk and concerns such as infiltration occurring when the beach is emptied. It was noted that this area has been monitored by ERA. Future discussions are needed.
44	West of Eagle	HIGH		Retaining wall and lower walkway east of covered bridge	This area has been monitored by ERA. Future discussions are needed.
4	East of Eagle	MED		Labyrinth and railings at Amphitheater	The group viewed the restoration of the labyrinth and Picco discussed the possibility of including an informational sign in the area. She noted that the railings were powder coated, reinstalled and now look brand new
17	East of Eagle	MED		"No Bicycles" signs	Picco pointed out the existing signs and discussed the need to expand to more of a "Walk Your Wheels" type sign to include scooters, rollerblades and skateboards. Further discussion is needed on updating existing signs, new standard prior to new section.
24	West of Eagle	MED		2031 Master Plan - Overlook Improvement	Picco reviewed the overlooks. Do we want this to be a bigger project or updated landscape similar to what Park District staff has been doing in other areas?
36	West of Eagle	MED		Addition of a permanent "No Bikes" sign at Jefferson	A directional signage to the bike path at Parkway Drive was suggested and a more permanent solution will be discussed. The Walk Your Wheels sign will be placed in the area in the interim.
39	West of Eagle	MED		Area west of Jaycees Playground, south of Warming Shelter	More trees could be added to create a small shaded picnic area.
1	East of Eagle	LOW		Banner Poles	Picco noted the three banner poles at this location and the banner style and locations that were discussed at last week's AMP walk that will be continued.
2	East of Eagle	LOW		Il Campo pavers around Youth Plaza	The group reviewed the Il Campo style paver used in this area and discussed the potential for use in the South Extension plaza and other areas. Peterson noted this concept is used in the 430 S. Washington Street design.
3	East of Eagle	LOW		Block wall on lower walk, east of Eagle Street	Picco reported that the wall is in fair condition, and they will continue to monitor each year.
5	East of Eagle	LOW		Elm roots vs. pavers by Rubin Family Circle	Picco discussed the issue with tree roots and advised that the pavers would be leveled by Park District staff.
31	West of Eagle	LOW		Residential Area	The "Park Closed at 10:00 p.m." sign will be added to South Ext. The RW and Riverplace properties were discussed, Picco noting the possibility of adding stairs and connecting path for accessibility on the overlook for the quarry. PD staff continues to keep the area cut low.
33	West of Eagle	IN PROGRESS		Netzley Stone	Park District staff to pressure wash Netzley stone west of metal bridge.
6	East of Eagle	IN PROGRESS		Free Speech Pavilion	Park District staff repainted the electric box and will refinish the three picnic tables this summer.
