

# Naper Settlement

Published by Agorapulse · 4d ·

We're excited to announce that the Naperville Heritage Society was awarded \$800,000 in federal funds for The Whole History Project! Thanks to the support of [Senator Dick Durbin](#), the museum will be able to preserve and digitize its vast archives, artifacts, and records, showcasing the rich diversity and history of Naperville and the State of Illinois. We are immensely grateful to Senator Durbin for his support and excited for the museum's next chapter in bringing its collections and stories to the community!
