RE: Costco Wholesale
Zoning Variance Application

Dear Erin:

We have determined that our client, Costco Wholesale seeks relief from the following City Code as it relates to the Landscaping & Screening Code 5.2.4.1 Rear and Interior Side Yards: Abutting Residential Property.

Attached are the following documents/drawings in support of this zoning variance request:

- Completed Zoning Variance Form
- Variance Standards Response and Exhibits:
 - Exhibit A – Costco Fence Variance Site Plan
 - Exhibit B – Costco Fence Variance Aerial Overlay
 - Exhibit C – Costco Fence Variance Photographs

Please note that the application fee of \$446.00 will arrive to your attention via regular mail this week as arranged with Jeri Krieg from our office. Jeri will coordinate notices, etc. upon receipt of the notice requirements from your office.

If any additional information is needed, please reach out to Jeri at 847.331.4722 or via email at jkrieg@tjdesignltd.com. Thank you in advance for your assistance with this request.

Sincerely,
