Receive Electric 2019 Purchased Power Adjustment (PPA) Report

The Purchased Power Adjustment is a monthly adjustment on your electric bill based on actual power costs. The PPA changes monthly and is based on a six-month rolling average. The PPA is either a credit or a charge on the customer's utility bill each month. This makes sure customers aren't overcharged or undercharged for electricity.

To date, the City has given back \$700,000 to the customer.
