19.2 LTF warrants that it has the authority to enter into this Agreement and that the undersigned has the authority to execute this Agreement on behalf of LTF.

20. EFFECTIVE DATE.

20.1 The effective date (“**Effective Date**”) of this Agreement shall be the date upon which it is signed by both Parties hereto.

21. LTF CONTINGENCIES.

The obligation of LTF to purchase the Subject Property is subject to and contingent upon the satisfaction in LTF’s sole and absolute discretion, as of the dates hereinafter specified, of the following conditions, any of which may be waived in whole or in part by LTF by written notice thereof from LTF to the City (collectively, the “**LTF Contingencies**”):

(i) As of the Closing date, the Title Company shall have issued an owner’s policy of title insurance insuring LTF’s good, marketable and indefeasible title to the Subject Property in the form and with all endorsements required by LTF and in accordance with Section 22.

(ii) As of the Closing date, all of the representations and warranties by the City set forth in this Agreement shall be true and correct and complete in all material respects.

(iii) The City shall have performed all agreements and conditions required by this Agreement to be performed by the City prior to or as of the Closing date and shall have cured all defaults, if any.

(iv) Upon Closing and conveyance of the Subject Property to LTF, all City rights in the Approvals (except any reserved in the Approvals themselves) shall be automatically transferred and assigned to LTF.

(v) As of the Closing date, the Subject Property shall have been platted as an independent and separate lot and shall constitute a single tax parcel.

(vi) As of the Closing date, the Stormwater Agreement (in form and content acceptable to LTF) shall have been executed by all of the Stormwater Beneficiaries and shall be suitable for recording.

The LTF Contingencies are for the sole and exclusive benefit of LTF. If, prior to the Closing date, the LTF Contingencies are not satisfied or waived by LTF, LTF may terminate this Agreement by written notice to the City prior to the Closing date. If such notice shall not have been given on or prior to the Closing date, then the LTF Contingencies shall be deemed to have been satisfied and the parties shall proceed to Closing as provided in this Agreement. Upon any termination of this Agreement under the provisions of this Section, each party shall be released thereby without further obligation under this Agreement to the other party, except for obligations that expressly survive as specified in this Agreement and all Earnest Money and Additional Earnest Money shall be returned to LTF.

22. EXAMINATION OF TITLE.

22.1 Within thirty (30) days of execution of this Agreement: (1) LTF shall order a title commitment from a Title Company of its choice committing the title company to insure title to the Subject Property in the amount determined by LTF, but not less than the full amount of the Purchase Price (the "**Title Commitment**"); and (2) if it elects to do so LTF may order an ALTA/NSPS urban class survey of the Subject Property prepared in accordance with LTF's specifications, and certified to LTF, the City, and the Title Company (the "**Second Survey**").

22.2 Permitted exceptions ("**Permitted Exceptions**") to the Title Commitment shall mean the following, and any other exceptions shown on the Title Commitment or the Second Survey to which LTF does not object, or to which LTF does object and which are not cured by the City as provided in Section 22.3 below:

- (i) General real estate taxes not due and payable at time of Closing
- (ii) City of Naperville zoning laws and ordinances;
- (i) Easements for public utilities as shown on the Second Survey or created pursuant to the terms of this Agreement;
- (ii) Public roads and highways and rights of way pertaining thereto;
- (iii) All special service areas and easements of record;

22.3 LTF shall provide a copy of the Title Commitment and the Second Survey (if any) to the City along with any objections to Title Exceptions listed in the Title Commitment or matters shown on the Second Survey ("**Title Objections**") on or before the expiration of the Inspection Period. The City shall use commercially reasonable efforts to cure any Title Objections within sixty (60) days after the City's receipt of the Title Objections ("**City's Cure Period**"). The City shall in all events be obligated to cause to be released on or before Closing all liens filed against the Subject Property, including but not limited to mechanics liens, mortgages, deeds of trust, or other liens securing a monetary obligation, or to obtain title insurance coverage in favor of LTF therefor. If LTF makes objections to the Title Evidence and if the City fails to cure all items to which LTF objected in LTF's Title Objections prior to the expiration of City's Cure Period, LTF shall have the option, by written notice to the City within ten (10) business days after expiration of City's Cure Period, to either:

- (a) Terminate this Agreement, in which event this Agreement shall terminate and neither Party shall be liable for damages hereunder to the other Party (except for any

obligations of either party hereunder that expressly survive such termination), and LTF shall receive a return of all Earnest Money and any Additional Earnest Money; or

(b) Elect to proceed with the transaction as provided herein, in which event LTF shall accept title to the Subject Property subject to the Permitted Exceptions and any uncured Title Evidence.

If LTF does not give the City notice of its election to terminate this Agreement within ten (10) business days after expiration of the City's Cure Period, this Agreement shall remain in full force and effect.

Prior to Closing, LTF may obtain updated Title Evidence and LTF may provide written Title Objections to the City with respect to any matters not previously disclosed on the Title Evidence. The City shall have a 30-day period to cure such new Title Objections, with the Closing being extended as necessary to afford the City the time to cure; provided that LTF shall have the right, at LTF's sole option, to withdraw any such new Title Objections and proceed to Closing. If the new Title Objections are not resolved to the sole satisfaction of LTF on or before the Closing, LTF may give written notice to the City that it terminates this Agreement and the Parties shall have no further obligations hereunder except for those obligations which survive the Closing or termination of this Agreement, and LTF shall receive a return of all Earnest Money and any Additional Earnest Money.

23. EXECUTORY PERIOD.

23.1 From the Effective Date until the Closing date (the "Executory Period"), the City shall:

(a) Keep the Subject Property in the same condition as of the Effective Date, ordinary wear and tear excepted except that the City may opt to allow continuation of the Drendel Lease so long as said Lease is terminated prior to Closing.

(b) Advise LTF promptly of any litigation, arbitration or administrative hearing before any governmental agency concerning or affecting the Subject Property that is instituted after the date hereof.

(c) Keep, observe, and perform in a timely manner all of its obligations under any contractual obligations affecting the Subject Property.

(d) Not sell, assign, or convey any right, title, or interest whatsoever in or to the Subject Property, or create or permit to exist any lien, encumbrance, or charge thereon without promptly discharging the same (except for possible continuation of the Drendel Lease until Closing).

(e) Promptly advise LTF in writing of any written notices concerning the Subject Property that the City receives from any appraisal districts, taxing authorities, building officials, zoning officials, or any governmental agency having jurisdiction over the Subject Property.

(f) Maintain in full force and effect any existing insurance.

(g) Not enter into any new service contracts or other agreements affecting the Subject Property except for possible continuation of the Drendel Lease until Closing.

The City shall defend, indemnify, and hold LTF harmless from and against any claim, liability, damage or expense asserted against or suffered by LTF arising from a breach by the City of its obligations under this Section. The City's indemnification obligations under this Section shall survive the Closing.

24. CONDEMNATION.

24.1 In the event of a taking by condemnation or similar proceedings or actions of all or any part of the Subject Property, LTF shall have the option to terminate this Agreement upon written notice to the City within five (5) business days after notice thereof whereupon all Earnest Money and Additional Earnest Money shall be returned to LTF, and this Agreement shall be null void and the parties shall have no further obligation to each other except for those obligations that are explicitly stated herein to survive termination. If LTF does not exercise its option under the immediately preceding sentence of this Section to terminate this Agreement, then the Agreement shall remain in full force and effect and the City shall assign or pay to LTF at Closing, the City's entire interest in and to any and all condemnation awards or proceeds from any such proceedings or actions in lieu thereof.

25. DEFAULT.

25.1 If the City shall default in the performance of any of its obligations hereunder, then LTF may, by fifteen (15) days' written notice to the City, and provided that City does not cure such default during such fifteen (15) day period, as LTF's sole and exclusive remedy (except as set forth below), in lieu of any other remedies provided by law or equity, elect to terminate this Agreement and receive a reimbursement of all Earnest Money and Additional Earnest Money deposited with the Title Company at such time. Notwithstanding the foregoing provisions of this Section 25(a), if the City's default is caused in whole or in part by the intentional acts or omissions of the City (including but not limited to, the City electing not to close the transaction contemplated herein), then LTF may elect either (i) the termination remedy described above, or (ii) to avail itself of the remedy of specific performance provided that any such action for specific performance is commenced within three (3) months from the City's default.

25.2 If LTF shall default in the performance of any of its obligations hereunder, then the City may, by fifteen (15) days' written notice to LTF, and provided that LTF does not cure such default during such fifteen (15) day period, as the City's sole and exclusive remedy, in lieu of any other remedies provided by law or equity, terminate this Agreement and receive all Earnest Money and Additional Earnest Money deposited with the Title Company at such time. Such amount is agreed upon by and between LTF and the City as liquidated damages, due to the difficulty and inconvenience of ascertaining and measuring actual damages, and the uncertainty thereof.

26. OWNER'S ACKNOWLEDGENT AND ACCEPTANCE AGREEMENT ("OAA").

26.1 Prior to the expiration of the Approval Period, the City and LTF shall negotiate the terms of an Owner's Acknowledgement and Acceptance Agreement ("OAA") applicable to the

Subject Property setting forth specific requirements, obligations, and provisions relative to development and use of the Subject Property. The OAA shall be one of the Approvals described in Section 5.1. The terms of the OAA shall be in addition to any ordinances applicable to the Subject Property; provisions of the Naperville Municipal Code as amended from time to time; and/or other applicable laws, as amended from time to time, to the extent said ordinances, Code provisions and/or other applicable laws are applicable to the Subject Property. Said OAA shall be approved by the City with the ordinance approving subdivision of the Subject Property, and the OAA shall be fully executed and recorded with the DuPage County Recorder prior to conveyance of the Subject Property to LTF.

The Parties hereto agree that the OAA shall provide, that to the extent of any conflict or inconsistency with the provisions of this Agreement (including but not limited to any exhibit attached hereto) and the OAA, the provisions and exhibits of the OAA shall control.

27. SITE DEVELOPMENT AGREEMENT.

27.1 Prior to the expiration of the Inspection Period, and contingent upon approval of any needed entitlements, and contingent upon approval of plans and final engineering, the City (or the then-owner of the City Outlot), LTF, and the owner of the Affordable Housing Property (in conjunction with the proposed developer of the Affordable Housing Property though title to the Affordable Housing Property may not yet have been conveyed by the City to such developer), may negotiate a separate site development agreement (the “SDA”) setting forth provisions related to (among other possible things) the construction of the Stormwater Detention Basin, mass grading of the entire Property, construction of utilities, and shared access drives (if any) (the “Site Work”). It is anticipated that the SDA may provide that the reasonable estimated costs of the Site Work shall be deposited in escrow by the party(ies) required to pay for such work, and in the event of a default in the timely performance of the Site Work, the other parties may access the escrowed funds to complete the Site Work.

28. GENERAL TERMS AND CONDITIONS.

28.1 If any term of this Agreement is ambiguous, it shall not be construed for or against any party on the basis that the Party did or did not write it.

28.2 Unless otherwise specified as “business days”, calendar days are intended. Business days as used in this Agreement are defined as Monday through Friday, excluding Federal holidays. If the date for performance shall fall on a Saturday, Sunday or national holiday, the date for performance shall be extended to the next business day.

28.3 The Parties hereto waive trial by jury in any action, proceeding or counterclaim brought by either of the Parties hereto against the other on any matters whatsoever arising out of or in any way connected with this Agreement, or for the enforcement of any remedy under any statute or law.

28.4 The legal representatives for the City and LTF may agree in writing (including by email) to revise any timeframe or due date provided for herein.

28.5 This Agreement contains the entire agreement between the Parties. All negotiations between the Parties are merged in this Agreement, and there are no understandings or agreements, verbal or written, other than those incorporated in this Agreement

28.6 This Agreement shall not be altered, amended, changed or modified except in writing executed by the parties hereto.

28.7 Venue for any action taken by either Party, whether in law or in equity, to enforce the terms of this Agreement shall be in the Circuit Court of the Eighteenth Judicial Circuit, DuPage County, Illinois. This Agreement and the legal relations between the Parties hereto shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to the conflicts of laws principles thereof.

28.8 Neither Party may assign or transfer this Agreement unless said assignment or transfer is approved in advance in writing by the other Party, which consent shall not be unreasonably withheld, conditioned, or delayed.

28.9 If any of the provisions of this Agreement are determined by a court of competent jurisdiction to be invalid, such provisions shall be deemed to be stricken, and such adjudication shall not affect the validity of the remainder of the terms of this Agreement as a whole or of any paragraph, subparagraph, sentence or clause not adjudged to be invalid.

28.10 The representations, covenants, and warranties set forth in Section 7 of this Agreement shall survive the Closing and conveyance of the Subject Property to LTF for a period of two (2) years after Closing and shall not be deemed merged into any instrument of conveyance delivered at Closing.

28.11 All exhibits attached hereto shall be deemed incorporated herein and made part hereof.

28.12 Notwithstanding Section 18 above, any dates or deadlines under this Agreement may be extended by exchange of electronic mail between the parties or their attorneys.

THE PARTIES TO THIS AGREEMENT by their signatures acknowledge they have read and understand this agreement and intend to be bound by its terms.
