

Memorandum

April 9, 2025 Agenda Items

To: Riverwalk Commission

From: Tiffani Picco, Riverwalk Operations Manager, 630-848-3590

Date: April 2, 2025

Re: **Naperville Park District's Monthly Field Report for the Riverwalk Commission Regular Meeting**

Field Report for March, 2025:

- Staff removed Riverwalk assets from the Eagle Street Gateway project area, including shepherd crook lights, benches, plaques, and a sign. These will be restored and returned to the area upon completion of the construction. We also worked with the contractor to reroute our irrigation main line through the construction zone so the irrigation system can be turned on in early May.
- The spring banners have been installed and will be up until the end of May
- The sled hill fence has been removed from Rotary Hill. The turf will be aerated, and seed and blanket will be added to any bare spots.
- Trees, shrubs, and perennials have been ordered and will be planted in early April
- Staff installed large outcropping stones that will define the planting beds from the natural area of Harmony Park. Plants begin arriving the first week of April and will be planted as soon as weather conditions allow.

Carillon Update – provided by Brett Sprague (NPD)

- Carillon tours resume May 10

Other points of interest:

- Beach cleaning began the week of March 17
- The paddleboats will be placed back in the quarry by the end of April for rentals beginning May 10

Harmony Park Project in Progress:

Centennial Beach Cleaning Process:
