Hello,

This email is in regards to the petition on file for Brent Carius at 2429 Newport Drive, Naperville, IL.

My wife and I are the homeowners directly behind the Carius household ([REDACTED]) and would be theoretically the most impacted by this petition. We have absolutely no objection to the petition and believe that the renovations that the family plans to make will fit in very appropriately with the neighborhood (there are many other homes with 3/4 Season Rooms in the area).

We kindly request that the Carius petition is approved.
