2.0 PROJECT DESCRIPTION.

- 2.1 The PROJECT will employ various stabilization measures to prevent further erosion of the east banks of the West Branch DuPage River and stabilization of an existing sanitary sewer interceptor. The stabilization measures to be utilized depend on the severity of the erosion and specific site constraints, including: vegetated sack gabions; rock vanes; vegetated boulder revetments; ledge stones; riprap; concrete structural blocking; and slope restoration with turf reinforcement mats.
- 2.2 The PROJECT shall be developed essentially in accord with the engineering plans as prepared by Strand Associates latest revision date 6/9/2022, which document is incorporated herein by reference but is not attached hereto due to space limitations. The project shall be maintained and monitored by the CITY or their consultant.

The anticipated cost share is as follows, unless otherwise agreed to in writing as provided in Paragraph 3.2 below:

- 3.3 This AGREEMENT shall in no way obligate the CITY to undertake this PROJECT if the CITY in its sole discretion determines that it is no longer in the CITY's best interest to proceed with this PROJECT. However, in the event the PROJECT is not substantially completed by October 31, 2024, the CITY shall promptly reimburse the COUNTY any monies paid by the COUNTY to the CITY pursuant to this AGREEMENT. The CITY's right to retain the COUNTY'S reimbursement of PROJECT costs is expressly conditioned upon the CITY'S timely and satisfactory completion of the PROJECT.
- 3.4 The CITY may only seek COUNTY reimbursement for allowable PROJECT construction expenses incurred on, or before, October 31, 2024. Allowable PROJECT expenses incurred and paid by the CITY in relation to the PROJECT

shall include third-party professional services related to the construction of the PROJECT, but does not include construction management, bid advertising, etc. Notwithstanding the foregoing, allowable expenses shall not include the CITY'S administrative costs, overhead, payroll, land acquisition, legal or accounting services.

- 3.5 As this Agreement utilizes ARPA funds, the CITY is aware that time is of the essence in notifications as to whether the CITY will proceed with this project to substantial completion not later than October 31, 2024. If the CITY fails to communicate that the CITY is not proceeding with this project or if the CITY fails to substantially complete this project by October 31, 2024, the COUNTY may recoup any expended funds and withhold any unexpended funds to be used for other permissible purposes in advance of the December 31, 2026 federal recapture deadline.

The CITY'S indemnification of the COUNTY shall survive the termination, or expiration, of this AGREEMENT.
