Commissioners,

John Green Real Estate is celebrating 50 years of contributing to the growth and quality of life of the Naperville region, and plans include a "Thank You Naperville" free public ice cream social with live music, free ice cream and commemorative giveaways. The event is envisioned for a Sunday afternoon, September 20 from 1-4 pm.

We believe that Jaycees Wi-fi Park on the Riverwalk and the adjacent Naperville Township parking lot would make the perfect setting for this low-key casual community event, allowing families to gather to enjoy live music and a sweet treat in a safe, beautiful centrally located site along the Riverwalk. We would like to place the band at the top of the stairs overlooking the park, station our giveaways at some of the tables and engage an ice cream truck in the Naperville Township parking lot. We will also engage with Eddie Bedford, Township Supervisor, for permission to use the lot.

Because the event is planned to occur as an open house with activity throughout the afternoon, we expect the crowd size at any given time will be controlled by the "come by and go" nature of the event. We are self-insured and are prepared to comply with the requirements of the Naperville Park District with regard to use of the park. We respectfully request that the Riverwalk Commission bless this event as a way for the community to gather and celebrate John Greene's contributions to Living, Growing and Loving Local for 50 years! We look forward to discussing the matter further at your next Commission meeting.

Many thanks
