On behalf of our 4000 participants, our 1400 Naperville participants, our 450 kids participants, our 11 charities, and all involved and benefitting, the Naperville Half Marathon Races would like to thank you and let you know how proud and grateful we are to be a part of such an active and giving community.

2019 was the 3rd year of the Half Marathon / 5k combination, and was our best year yet in terms of ...

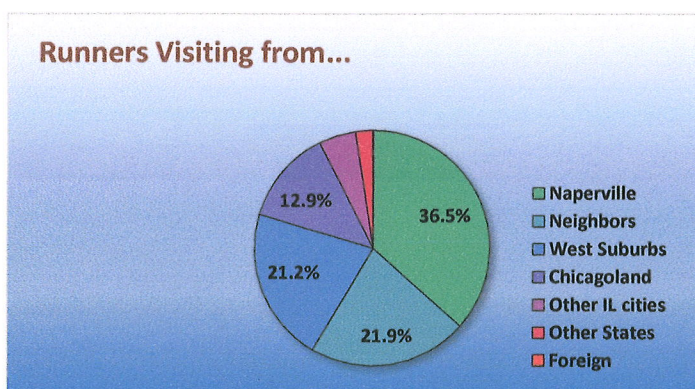

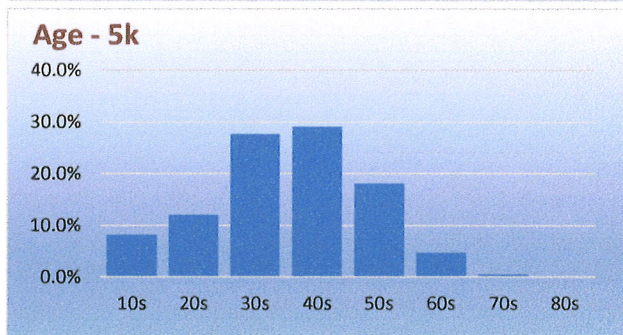

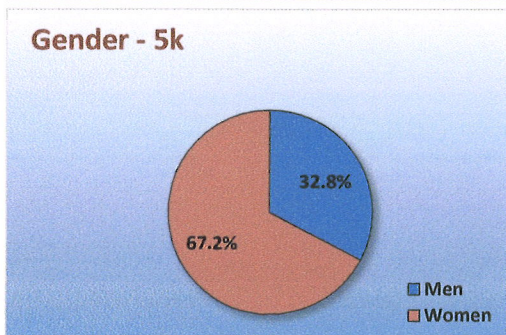

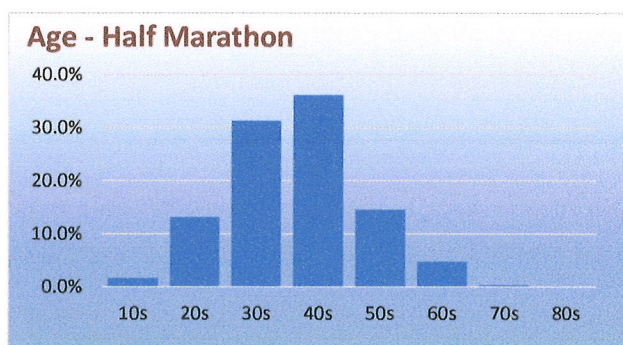

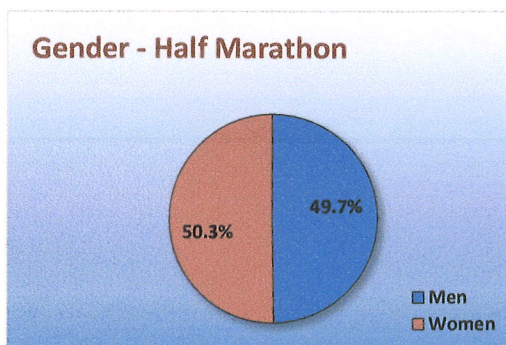

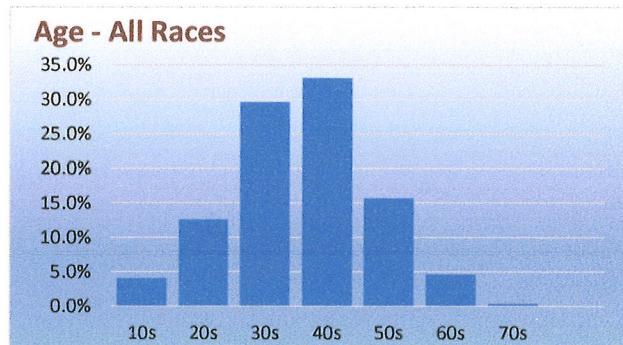

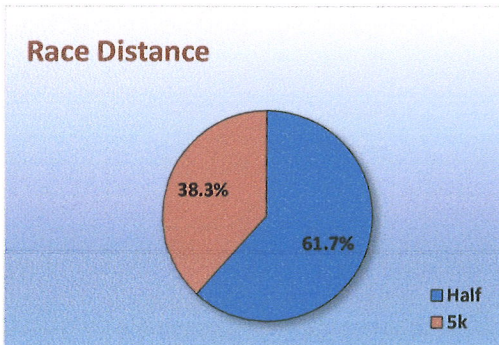

- | | |
|--|--|
| - # of participants | (4000+, up from 3900+ in 2018) |
| - # of Naperville participants | (1400+, up from 1250+ in 2018) |
| - # of Charity fundraising runners and walkers | (1200+, up from 800+ in 2018) |
| - Charity donation dollars | (\$460,000+, up from \$360,000+ in 2018) |

The Naperville city staff members that we interact with are friendly, knowledgeable, and efficient, and while planning and executing an event of this size is not easy, they helped simplify it by identifying and resolving potential issues for the 2019 event year, and by again proactively letting us know schedule, construction, and community impact ideas for 2020 planning.

Thank you for your leadership, the Naperville City staff, and the Naperville community. We can do amazing things working together.

Sincerely,
The Naperville Half Marathon Races
