Architectural Revision Plan Approval Request

Design Review Committee

The Design Review Committee of Hobson Villas Homeowners Association has approved the request submitted by Charles and Maureen Bellock to convert their existing deck into a screened in porch.

Approval has been granted for the use and location only stated on the attached form. Approval does not constitute any review or approval as to the adequacy or sufficiency of the design of the architectural revision itself. For your own protection, we suggest that you obtain a Certificate of Insurance, appropriate permits and contractor's license number from your contractor. You must also comply with all other State and Local rules and regulations (i.e. calling JULIE before you dig).

Tim Donnell
Secretary to the Board

Architectural Revision Plan Approval Request

Submitted for approval by the Design Review Committee. I understand that final approval may take forty-five (45) days from the time a complete and properly prepared submittal has been received by the Committee. I understand that all work must be completed within 180 days of approval. I am requesting permission for the following architectural alterations:
