

RE Naper Lights 2019 Winter Wonderland on Water Street

Bill/Allison,

As you may be aware The Rotary Club of Naperville Sunrise's Naper Lights is relocating its light display to Water Street November 22 through December 29th. As part of the display we will be recognizing certain sponsors with signage (most are 2' x 3' signs) all located on private property. Gerald Subaru is a generous sponsor and they'd like to display a vehicle on the vacant lot at the NW corner of Main and Water Street. See the attached PDF for an aerial showing where the car will be located. It will be lit and signed with the attached 36' x 42" Naper Lights sign. This lot is owned by River Main, LLC and Steve Rubin has given his approval. See attached email.

We understand that this type of display requires Council approval since it could be considered off-site advertising. So, on behalf of the Rotary Club of Naperville/Sunrise please accept this request of a temporary car display Nov 22 – Dec 29, 2019 and associated thank you sign as attached.

Geoffrey Roehl,

Rotary Club of Naperville Sunrise
