Re: **Naperville Park District's Monthly Field Report for the Riverwalk Commission
Regular Meeting**

Field Report for January, 2026:

- All of the holiday decorations have been taken down and returned to storage
- We completed about 2 weeks of snow removal operations
- Staff are pruning trees and shrubs and have cut back a majority of the perennial landscape beds throughout the Riverwalk
- Staff are thinning the underbrush in the Sindt Woods

Riverwalk AMP (Asset Management Plan) Walk Dates

- I would like to once again schedule 2 days to complete the Riverwalk AMP Walk, splitting at Eagle Street. I am proposing **Wednesday, April 29** and **Thursday, May 7** starting at **3:00pm** both days.

Other points of interest:

- The Centennial hockey rinks opened on January 19

The summer banner concept (NOT a finalized design yet) is:

We will utilize the 250th birthday of the United States of America to return to the style of banner with two tails. For 2026 we will display red, white, and blue colors with a patriotic theme. We will assess how the colors hold up through the summer and can make a determination if we want to continue to use this style moving forward (with different colors in future years).
