Dear Mayor Hattas,

On behalf of the City of Naperville and the Naperville Sister Cities Commission, we extend our warmest greetings to you and all the citizens of Nitra.

Our cities have enjoyed a meaningful and enduring relationship, and we are proud of the strong ties that connect Naperville and Nitra. Earlier this year, we were pleased to host an educational event, *"Naperville and Nitra – Culture, History, and the Sister City Relationship,"* which highlighted the rich history and shared values between our communities.

We are excited about the ongoing and future work of our Sister Cities Commission. Our members are actively involved in initiatives across education, the arts, culture, and business; areas we believe are vital for deepening international friendship and cooperation.

As we look to the future, we are eager to continue strengthening our connection with Nitra. We would be grateful if you could share the best point of contact in your city for coordinating future sister city activities.

We look forward to continuing our shared journey and to creating more opportunities for mutual benefit and cultural exchange.

Sincerely,

CITY OF NAPERVILLE,

Scott A. Wehrli, Mayor
