

2025 Legislative Priorities

THESE LEGISLATIVE PRIORITIES ADVANCE NAPERVILLE'S LONG-TERM GOALS AND VALUES

Financial Stability

Sustainable Public Pensions

- Protect pension systems & taxpayers.

Restore Local Funding

- Raise Local Government Distributive Fund (LGDF) to help ease property taxes.
 - Current share: 6.47% individual, 6.845% corporate income tax.
- Funds critical services like public safety, public works and technology.

Transportation

Reform Regional Public Transit

- Affordable, convenient transit is vital for Naperville and the region.
- Reforms needed to ensure fair governance, quality service and sustainable funding.

Future Road Funding

- Find alternative funding for road maintenance.
- Naperville's high EV rate (per 1,000 residents) is **4.3x** national, **2.5x** state, negatively impacting Motor Fuel Tax funding. *Source: Illinois Secretary of State*

Government Optimization

Modernize Public Meetings

- Support the electronic publication of statutorily mandated postings.
- Replace newspaper postings with online notices.

Community Protection

Body-Worn Camera Privacy

- Stop the exploitation and monetization of police body-worn camera footage, which increases the burden of public resources.

Tougher Penalties for Fleeing Drivers

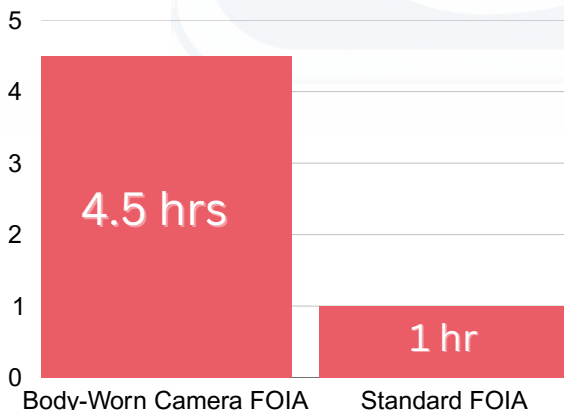

- Increase penalties for fleeing and eluding drivers.

Cyberattack Protection

- Shield cities from liability and protect critical local services from disruption.

Average Hours Spent Processing FOIA Requests

Up to **six** police department staff members are focused on FOIA processing.

Fleeing and Eluding

APPROXIMATELY **ONE** IN
EVERY **199** TRAFFIC STOPS
IN 2024 ENDED IN A VEHICLE
FLEEING AND ELUDING.

Support Naperville's priorities by advocating for these legislative changes in 2025.
