Subject: Old Nichols Library

To the Naperville Historic Preservation Commission,

Save Old Nichols has reviewed the current plans for Old Nichols Library, and we have met with the owner/developers to discuss those plans. The developers answered our questions regarding the preservation of Old Nichols and the surrounding new construction.

This is a suitable plan. We are encouraged the developer has taken steps to save the landmarked building. We hope the city will keep the development's scope under close regard and appropriateness considering its surrounding ONL and its close proximity to Central Park.

SONL plans to stay in touch with the developers as construction proceeds.

We could never have reached this happy ending without your support during the landmark process, and for that we are truly grateful.

Becky Simon
