Hi [REDACTED]-

My name is Jackie Hinz and I live next door to your house in Jefferson Estates in Naperville. We are having a pool installed in the next couple months and I wanted to reach out to let you know. The contractor will be accessing our backyard between our house and yours. I know that you do not have any landscaping other than grass there currently so wanted to confirm with you that any damage to the lawn between our houses will be repaired and restored to its original condition as soon as the project is completed.

Could you please reply with any questions you may have or to simply let me know you received this email?
