

To Whom It May Concern,

My name is Dan Shafron, my wife and I reside at [REDACTED]. Please consider this letter as a show of support for our next-door neighbors who reside at 5615 Rosinweed Lane. They are proposing a modification to a section of their fence along the back of their property.

We feel that it would look very appropriate and aesthetically pleasing if taller fence sections were installed in the proposed area. We believe that the existing fence height ordinance does not take their unique situation into account. Due to the grading of the back of the lot, and the neighboring vacant land, we feel this minor height adjustment is of no consequence to the neighborhood.

Thank you for your attention to this matter. Please do not hesitate to contact us if you require any other information.

Regards,

Dan and Kristen Shafron
