Estimado Señor Sergio Meneses Pizana,

On behalf of our community, I would like to extend our sincere appreciation for the valued relationship we share through our sister city partnership with Cancún.

This connection represents far more than a formal agreement, it reflects a spirit of friendship, cultural understanding, cooperation, and mutual respect between our communities. We are grateful for the opportunities this partnership creates to strengthen international ties, encourage cultural exchange, and build lasting relationships among our residents.

We deeply appreciate the continued collaboration, hospitality, and goodwill shown by your board and community. We look forward to many more years of friendship and shared success together.

Please accept our warmest regards and best wishes.
