

Nitra, November 5, 2025

Dear Mayor Wehrli,
Dear Mr. Mani,

It was with great pleasure that I received your letter addressed to the City of Nitra and its residents. Allow me to express my sincere appreciation for your words, as well as for your long-standing support of our sister city relationship.

Our cities are connected not only by a formal partnership, but also by genuine friendship, shared values, and a mutual commitment to fostering understanding among cultures.

We greatly value the active engagement of the Naperville Sister Cities Commission, and we are pleased that topics such as education, culture, history, and business cooperation remain firmly established within our partnership. The event "*Naperville and Nitra – Culture, History, and the Sister City Relationship*" is regarded as an exceptional expression of interest in building bridges between our communities.

We believe that similar activities will continue to be organised regularly – whether in person or through digital forms of cooperation.

In relation to your request, I would like to inform you that the primary contact person for cooperation with the City of Naperville will be:

Juliána Janíková
janikova@msunitra.sk
+421 903 602 343

We firmly believe that we will continue to strengthen our friendship and develop new opportunities that will bring value to the residents of both of our cities.

With respect and warm greetings from Nitra.
