Presented by Mjolsness

Sustainability's Department first recommendation is from staff, verified with NEST that we will remove, "in the same calendar year" component of the eligibility requirement from the Renewable Energy Program incentive applications. This will now just be one hundred twenty days limit from the final inspection or

installation for those programs.

The second recommendation is from NEST that we roll any unspent budgeted renewable energy funds in the following program year

A motion was made by Schrieber, seconded by Ackmann  
Unanimous

3. Receive PUAB 2025 Annual Report
