

Memorandum

August 12, 2026 Agenda Items

To: Riverwalk Commission

From: Tiffani Picco, Riverwalk Operations Manager, 630-848-3590

Date: August 5, 2026

Re: **Naperville Park District's Monthly Field Report for the Riverwalk Commission Regular Meeting**

Field Report for July 2026:

- We experienced some minor damage from several rounds of storms in July. Staff cleaned up some broken tree branches and blew leaves, mulch, and other debris off of the walkways. The river has come up over the lower walkways several times.
- Signs have been installed at the access areas to the lower walkways (see attached photo)
- Staff installed drainage pipe along the curb of the new walkway in the Sindt Woods to help with erosion and washouts
- Staff continues weeding, watering, pruning, and mulching all along the Riverwalk.

Carillon Update – (NPD)

- Tours will continue on weekends through the end of September

Other Points of Interest

- The Riverwalk was named “Best Park District Facility” in DuPage County by the Reader’s Choice Awards in Glancer Magazine!
- Centennial Beach hours change as of 8/13/26. Check the Park District website for exact operating days and times.
- The paddleboats will operate on weekends only starting mid-August
