To, Planning and Zoning Commission

We are writing this letter in regards to case # 18-1-114 as it pertains to the rezoning of the two lots **directly behind** us at 5s275 and 5s311 Naperville Wheaton Road. We wanted to voice our concerns over the idea of splitting these two lots into four. We feel that there is no need to do this since all the lots in this block are at least 100 x 200 ft. Why do they need to be split up? The builder could just build two larger homes instead of four and keep the area as it should be, one home per lot.

Thank you for taking our concerns into account when making your decisions.
