RE: FEATURES BAR & GRILL OUTDOOR SEATING

Dear Mayor Chirico:

The Downtown Naperville Alliance (DNA) Management Council was recently presented with Features Bar & Grill's request for the liquor commission to recommend extending the City's special outdoor seating program through this winter and spring of 2022. With a 5PM deadline to provide a vote and feedback, 11 of the 18 members responded unanimously supporting the request.

With the vote that was taken today, the DNA Management Council supports Features Bar & Grill's request. We thank you for your service to the City of Naperville Liquor Commission and for your careful consideration of this topic.

Sincerely,

Danielle Tufano
