Daily Rainfall at Multiple Rain Gauges

The rain gauges south of Fawell Dam (plus at Williams Rd) are owned and operated by the City of Naperville. The readings are updated every four hours except during heavy rainfall events when the readings may update every 30 minutes. The rain gauges north of Fawell Dam (excluding Williams Rd) are owned and operated by the USGS and update periodically throughout the day.

Gauge Name	Latest Reading	Total Rain (in)
SW Pump Station	5/14/2025 7:05 AM	6.27
Country Commons	5/14/2025 8:40 AM	5.82
S Ops Center	5/14/2025 7:00 AM	5.64
N Ops Center	5/14/2025 6:15 AM	5.46
Summerfield	5/14/2025 7:30 AM	4.38
