Dear Krishna,

On behalf of Edward Hospital, Edward Health and Fitness Center, and Linden Oaks Hospital, I hereby waive the required minimum distance from our facilities to the outdoor display of fireworks during India Day 2017, as per NFPA 1123, section 5.1.3.1, with the understanding that Melrose Fireworks will maintain a minimum of 420 feet from our buildings and retention ponds. This waiver only covers the *single* fireworks display on Sunday, August 13th, 2017. A copy of the insurance certificate will be provided by you as soon as it becomes available.

We understand that detailed traffic flow and parking plans have been developed to ensure that physicians and staff will have ready access to the hospitals during the fireworks display, and the entire run of India Day 2017, which is scheduled to be held on Sunday, August 13th from 11:00 a.m. until 9:30 p.m.

Should you require any additional information, please don't hesitate to contact me by phone or e-mail, as indicated below.

Sincerely,
