Forwarded from Joe Dant:

Jan,

Thank you so much for the time with the Riverwalk Commission leadership team and walking several of us here at EEH through the Riverwalk Master Plan 2031.

On behalf of the leadership team here at Edward Hospital, I am pleased to offer our enthusiastic support of the entire Master Plan and specifically the South Gateway project.

We are excited about the possibility of linking the hospital's campus with the Riverwalk as conceived in this plan.

We look forward to future, more detailed discussions about the opportunity.

Best regards,

Joe
