400 S Eagle Street
Naperville, IL 60540

To Whom it May Concern,

I have been involved with examining the traffic plans surrounding our District 203 schools with Transportation Project Manager Michael Prousa and the respective school principals. We discussed the traffic patterns and plans for each school and most of these recommended changes are for traffic flow during student arrival and dismissal with pedestrian safety as a priority. We are aware of and in full agreement with all the recommendations made.

Sincerely

Louis Cammisio
Director of Safety and Security
